By its nature, participation in interscholastic athletics includes risk of injury such as strained muscles, pulled tendons as well as serious injuries such as neck, spine, head, broken bones, and internal organ injuries. Although serious injuries are not common in supervised school athletic programs, it is impossible to eliminate the risk. Participants can and have the responsibility to help reduce the chance of injury. Players must obey all safety rules, report all physical problems to their coaches, follow a proper conditioning program, and inspect their own equipment daily.

I/We fully understand that the Derry Cooperative School District does not provide any accident or health insurance coverage for my son/daughter while participating in interscholastic athletics. I/We fully understand that it is my/our responsibility to provide insurance coverage for my daughter/son.

“I hereby give my consent for the above named student:
