

# Error Message

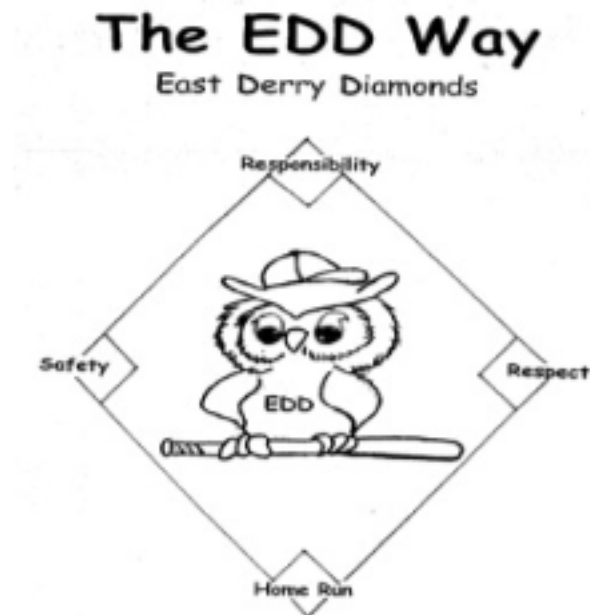

Dear Parents/Guardians:

This is to inform you that your child, \_\_\_\_\_ has had two minor behaviors recorded in one day's time. This serves as a reminder that having three minor behaviors recorded in one day would constitute a major behavior and therefore would need to be addressed by the administration.

The Expectation/s that needs reinforcement is circled below on the Diamond. Please refer to your Student Handbook to refresh minor and major behaviors or feel free to call. Your reinforcing The EDD Way with your child in order to promote positive behaviors is very much appreciated.

Respectfully,

Classroom Teacher
