School Improvement Plan Summary 2011-2012

Where the sky is the limit and all children succeed!

Improved
Communications

Goal: *Math and reading achievement scores will increase by improving our school-to-home communication and professional teacher-teacher communication around curriculum/instruction.*

Activities:

1. Host curriculum related Family Nights
2. Utilize parent information forms and surveys
3. Provide opportunity for vertical planning
4. Provide additional staff training to improve PLC planning effectiveness

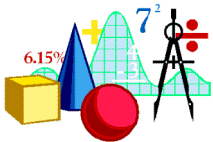

Improved
Reading

Goal: *- To improve reading achievement for all students, focusing on activities specific to creating a systematic approach to phonics instruction and monitoring our struggling readers.*

Activities:

1. Pilot a Reading Specialist working with struggling readers with learning disabilities.
2. Provide staff training on: pre and post assessments, understanding and connecting the Working With Words map with classroom instruction, and the use and modeling of NECAP released items in everyday instruction.
3. Begin to develop a systematic approach to phonics that includes common language and strategies.

Improved
Mathematics

Goal: *To improve math achievement for all students, focusing on the use of the released items in the content library (constructive response questions), as well as connecting curriculum, instruction and student assessment data.*

Activities:

1. Train staff on using student data and curriculum connector to help inform instruction and establish common language and common understanding.
2. Integrate additional math support (Title 1 math teacher, after school tutoring, Math Family Nights) for Title 1 identified math students in grade 3-5.
3. Increase teachers' conceptual knowledge of mathematics and the Numbers and Operations standard.

Evidence:

1. *Team meeting notes and agendas*
2. *Parent surveys and feedback forms*
3. *Student assessment data reports*
4. *Workshop evaluation forms*
5. *Teacher surveys*
6. *Tutoring attendance*
